*LARC Resources LIB*

## Abstract

---

The Language Acquisition Resource Center (LARC) at San Diego State University has many resources like books, CDs and DVDs. This thesis work deals with the development of a web application to manage LARC resources in an easy manner. The application enables the user to search through all the resources from a web page. The search capabilities include keyword search and type search. There is special functionality to write comments and rate the resources.

## Thesis Committee

---

Carl Eckberg, Thesis Chair, Department of Computer Science  
William Root, Department of Computer Science  
Mary Ann Lyman-Hager, Language Acquisition Resource Center
