

FrogTutoring is an educational technology platform that facilitate 1-on-1 private tutoring offering the full range of academic courses and test prep in your area. Our company has been featured on CNN and other media outlets.

We're looking to hire some of your students to work not just as tutors but also as mentors to students throughout your community and surrounding cities. We have found that when students (K - 12 & College) are tutored by college students, they become more receptive and enthusiastic about the subject. I think this will be a great opportunity for your students to encourage, engage as well give great advice as to what to expect in college to local youth, ALL while enhancing their resume.

Not only will your students tutor/mentor youth throughout your area, but they will receive great benefits as well!

- Great pay- Minimum of \$30 per session
- Tutors choose which grade level and subjects to tutor
- Tutors create their own schedule
- Driving compensation
- Periodic bonus and Referral bonus.
