*Android App for School of Arts and Design*

## Abstract

---

With over 1.5 million smartphones in use, it is evident that in few years mobile apps will see an exponential growth as the websites did a decade ago. To reach smartphones users, we have created an android app for SDSU School of Arts and Design. Anyone can download this app from Google Play Store and use it for free.

## Features of this App:

- One touch call and email
- Get up to date school contact information.
- Driving directions to school.
- Faculty and Staff Details like Phone number, Email ID, Portfolio etc.
- Get an up to date list of events happening at School of Arts and easily set reminders.
- Checkout out all the awesome stuff done by your Friends for different programs with Gallery.
- Get up to date information about Advising Hours.
- Find out about all the courses offered by the School of Arts and Design.
- Find out about different organizations here at School of Arts and Design.
- Get list of all Scholarships offered by the school and their details.
- Find out where to get all the Art Supplies you need.
- Way to make donation towards school.

## Thesis Committee

---

Carl Eckberg, Thesis Chair, Department of Computer Science  
Kris Stewart, Department of Computer Science  
Leigh Cotnoir, School of Arts & Design
