

## CS Masters' Thesis Defense

**Title:** *Incredible India - GIS Based Application Tool*  
**Speaker:** Dravya Nataraj  
**Date:** Wednesday, December 14, 2011  
**Time:** 4:00 p.m.  
**Location:** GMCS 405  
**Thesis advisor:** Dr Carl Eckberg

### **Abstract:**

The emphasis of Thesis is to build an intuitive and robust GIS tool which gives an outlook into Indian culture and heritage. The tool also incorporates the latest census data of 2011. The India map incorporates key physical features of India like the vast mountain ranges, deserts and rivers. Being from this culture rich nation I hope this tool does justice in giving people an insight into India and its people.
